

Welcome to the Chennestone PTA

Parents automatically become a member of the PTA when their child joins Chennestone and your involvement in the PTA is actively sought.

PTA meetings, which are held regularly, are open to everyone. Please come along and hear about the events we are planning for the new academic year. We would also love to hear about your ideas for fundraising and how best we could spend the monies raised. As a collaborative group everyone's input is sought and valued.

Last year our fundraising funded the purchase of Numicon equipment, an award-winning maths resource. We are in discussions with the school about assisting them in the funding of the re-establishment of school's wildlife and garden area.

Over recent years the PTA has funded substantial laptops, playground improvements, including the new wooden seating/planters, improved Reception play areas, shaded facilities, a climbing wall, an activity play area and a quiet area as well as wonderful art and biodiversity projects.

Along with these special projects, each year we provide every class with a cash fund, provide Leavers Yearbooks for Year 6, new intake book bags and many other extras the school may request during the course of the year.

The PTA plays a key role raising funds for the school, but also holds events throughout the school year for the enjoyment of the children - events such as the Welcome Disco, Bingo Night and the Christmas and Summer Fairs.

There are also a number of events that are used for parents to meet and socialise without the children, such as Quiz Night, Pamper Night and the Dine and Disco.

To do this we need the support of you, the parents. Please come along with your ideas to the next meeting and get involved.

We really need you to step forward to join the current committee.

Without a PTA the children will not benefit from these extra resources.

**Please contact Andrea Webb (PTA Chair)
07958 450 824.**
