

CHENNESTONE PTA NEWS !

WOW, What a brilliant Christmas Fair!

Well, what can we say! Firstly, a million thank you's! Thank you to all that helped with the prep work, the set-up and the clear up. The whole place looked magical and we couldn't have done it without all the Santa's little helpers that lent their time to help. But most of all, a huge thank you to all who came and supported and spent money on everything from the bar, to the tombolas, the cake stall, at Chamley's, and on the raffle and silent auctions. Every penny spent has gone into the fundraising pot towards some very exciting funding projects for this year.

We're very pleased to announce that this year's Christmas Fair has raised **£4400!!!!** so thank you once again for all your help.

Santa Decorations

It's a Christmas tradition for the children to design and make Christmas decorations to hang around the school during December to add some Christmas excitement to the building. This year's decoration theme is the big loveable bearded man himself, Santa! Please encourage your children to get crafty and make a Santa decoration to be brought in next week from Monday 2nd December. The deadline for this is Thursday 5th December, when Pupil Parliament will judge the entries and chose a winner from each year group.

Meet your PTA and Class Reps

If you haven't yet joined your year's Whatsapp group please contact the Class Rep Co-Ordinator - Rachel Collis on 07855 028822 who can make sure you're added to the correct group.
